YOU MAKE A DIFFERENCE

Several times we have promoted locally, joining the National Eucharistic Revival's concept of inviting people back to a life in Christ, to Holy Mass, one at a time. Perhaps you have not seen the results you hoped for but read the story below for some encouragement.

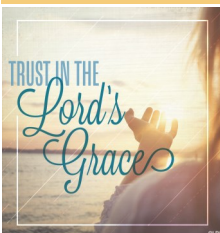

From a revival volunteer regarding her friend who has strayed from the Catholic faith:

"How could walking with one person make such a difference? And how could I possibly do that? [said the revival volunteer to herself]. But I prayed about it, and God gave me a name. I've been praying for that friend since August but had no idea how I was going to move forward. Then I reached out to meet her for a meal and asked God for guidance. And during that meal, as this friend shared how anxious she is about the upcoming election, God gave me the words to speak. When I texted her today with a follow-up (after praying and asking for guidance about what to text), she starting opening up about her loss of faith. And she wants to meet again to talk".

Let us never despair, God is in control, and he hears our prayers.

TEC— Together Encountering Christ is a three-day retreat supported by the St. Cloud Diocese. The retreat is intended for both youth (age 16+) and adults and is modeled after the Paschal Mystery - the Easter message of death, resurrection and sending forth. A TEC retreat will expand your circle of friends with those who will lift you up, support you, encourage you, and bring you closer to God. Come meet some new friends. Visit www.cmtec.org or call 532-4455. **Someone has donated a retreat for TEC. If you are interested in attending, please call the office.**
