

April 20, 2026 Weekly Announcements

There is Class and EPIC this Wednesday.

The Light supper is Tacos.

Thank you to everyone who participated in yesterday's youth mass! Thank you to all who participated in all of the youth masses over this year. Thank you to parents who supported the youth masses by bringing your children to participate as well as help in the background. This program and all the parts to it can not happen without your help and support. Thank you!

6th-10th Graders bring in your favorite rosary for Prayer time this week again. We are praying the Divine Mercy and we use rosaries for this.

Please pray for all of our First Communicants as they draw near to their first Communion. We pray they are excited, ready, and filled with the Holy Spirit on their special day!
