A Message from Katrina

Our Scripture for today places an
emphasis on community. During mass,
at faith formation classes, and at our
many groups that we have for adults we
are in community. In Proverbs the bible
tells us that "Iron sharpens iron." This
means that when we are together
sharing our faith in our communities we
are growing stronger and as always God
is in our midst.

For this week's catholic teaching
explained is from Marie Mazzanti again.
This week we have two days that
celebrate Mary so let's dive into what
does Immaculate Conception mean.
