A new year to grow in our faith!

This week we will be having our parent & child(ren) meeting. This will be held at All Saints-St. Hedwig's. All children who will be in the program and/or wanting to attend EPIC along with at least one parent will need to be at the meeting. Please come in through the basement to pick up your family's packet. Then go upstairs and sit in the church. We will be starting at 6:30pm.

We will not have a light supper this week, these will start the first week of classes. There will be more information on this at the meeting.

EPIC: JP, our new youth minister, will be at our meeting to introduce himself and talk a little about the youth group. There will also be an activity for those interested in EPIC.

Teachers you will be introduced and will be bring your students down to watch the Safe Environment videos during the meeting.

Those who volunteered to help with the skit please have your parents check their email. I have sent the script. Also if you are able to be there a little early so we can talk that would be wonderful!

A Message from Katrina

Our Scripture for today places an emphasis on choosing God over ourselves. Can we think of times when we are choosing ourselves over what God is asking us to do? This year let's plan to make a commitment to choose God during the times when it is easier to choose ourselves.

For this week's catholic teaching explained is from Marie Mazzanti again. In our commitment to choose God let's check out things we may not have noticed at the mass. Check it out here:
