Three Great Ways to Give

Giving More Than You Thought You Could

There are three great ways to give. First, you can make a **pledge over three years**. This is the way most people can make a significant donation. Even modest amounts become significant when given monthly or with each paycheck over three years.

All gifts are given over and above any regular gifts. Pledges can be paid annually, semi-annually, quarterly, monthly or with each payment. Please consider an initial payment of 10% at the time of your pledge.

Next, you can make a **non-cash gift**. These might be gifts of commodities such as grain or livestock; stock or mutual funds; gifts directly from an IRA; land or property; valuable possessions such as jewelry, automobiles, and antiques; or even in-kind gifts such as supplies and labor. The ownership of these gifts will be transferred to All Saints. We will sell these gifts and use the cash to fund the building campaign.

Finally, you can make a **legacy gift**. Through a charitable bequest in your will or living trust, you can leave a legacy that will continue for years to come. This thoughtful act, which has little or no current financial impact on you, may result in the largest and most lasting one-time gift you will ever make. While this legacy gift may not immediately impact our current needs, it will provide for needs in the years to come.

Building Our Future Together

September 26 & 27, 2026
Vol. 1

Capital Campaign Launches this Weekend!

This weekend we are launching our *Building Our Future Together* capital campaign to raise money for a new church building.

The Catholic story in the Holdingford area began humbly and faithfully on the prairie. For over a century, Sacred Heart Mission, St. Mary's, and St. Hedwig's nurtured the faith of families, eventually uniting to become the Catholic Church of All Saints.

Architect's rendering of what the new building may look like.

Our church buildings have been places of baptism, marriage, prayer, and farewell. They hold cherished memories and reflect the deep faith of those who built them. *Yet St. Mary's and St. Hedwig's now present significant limitations:*

- Neither building is fully accessible to people with disabilities. Multiple stairways create barriers for those who use wheelchairs or walkers.
- Restroom facilities do not meet current needs, especially for those with mobility challenges.
- Neither church has air conditioning.
- Neither building alone is large enough to accommodate the full Catholic community that will gather as All Saints.
- Continuing in two aging facilities divides our resources and limits our ability to plan confidently for the future.
- Repairing our current facilities is neither feasible nor approved by the Diocese.

The shortage of priests and parish consolidations also requires us to plan thoughtfully. Together, these limitations make our current arrangement an unviable long-term solution for a unified parish.

After much prayer and many conversations, we believe the time has come to move forward in faith.

Our plan is to build a beautiful **700+ seat worship space** for Mass and the sacraments in the timeless cruciform style, approved by our bishop and rooted in the architectural tradition of Catholic worship.

We will thoughtfully incorporate sacred elements from St. Mary's and St. Hedwig's, carrying treasured pieces of our past into this new chapter. (cont. on page 2)

Campaign Prayer

Heavenly Father,
We place this capital campaign in Your hands. We thank You for the gifts You have given this faith community over the past years.

We ask You to continue guiding the planning committee, architects, workers, and everyone involved in building this church where we can praise and worship You.

Bless our efforts and open the hearts of generous donors. Provide us with the resources we need to fulfill this mission and use every gift to make a lasting difference.

Guide us with the wisdom of the Holy Spirit. Strengthen us with faith, and bless all who support God's important work.
In Jesus' name, we pray. Amen

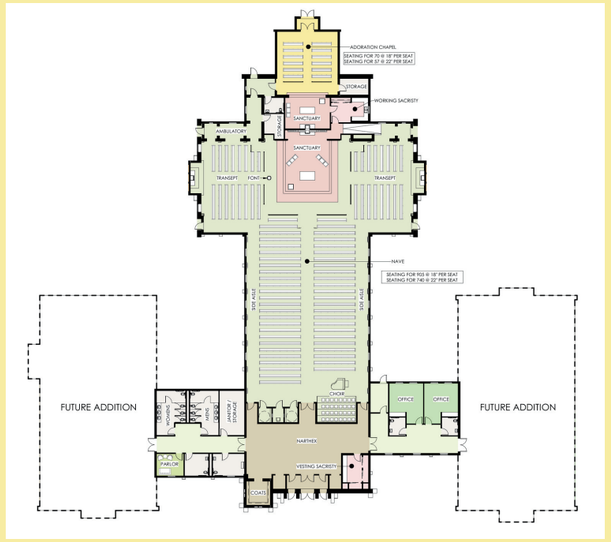

(Cont. from pg. 1)
Our new parish home will be fully accessible and welcoming to all, with a ground-level entrance, a large narthex, spacious accessible restrooms, a family restroom, air conditioning, and modern safety features.

Building on generously donated land also requires utilities, parking, stormwater management, access roads, and essential safety systems from the outset.

This first phase will lay the foundation for decades of worship, formation, fellowship, and outreach.

To make this vision possible, our *Building Our Future Together* campaign has a minimum goal of $11 million. We are asking parishioners to make a three-year financial pledge.

We invite you to join us in praying as we prepare for Commitment Weekend on Oct. 31 and Nov. 1.

Building on generously donated undeveloped land means creating an entire parish campus from the ground up. The first phase of construction must include not only the worship space itself, but also the essential infrastructure that allows a church to function. For this reason, the initial phase carries costs that future additions will not.

Did you know...?

You may be able to support our parish directly from your IRA while reducing your taxable income?

If you are age 70½ or older, a Qualified Charitable Distribution (QCD) may be a tax-wise way to give. A QCD allows you to transfer funds directly from your IRA to an eligible charity, including our parish, while generally excluding that amount from your taxable income—even if you do not itemize deductions.

If you are required to take a Required Minimum Distribution (RMD), a QCD can also satisfy all or part of that annual requirement. The gift must go directly from your IRA custodian to the charity; withdrawing the money yourself and then donating it generally does not qualify. A QCD excluded from income cannot also be claimed as a charitable tax deduction.

This giving option can help you support the ministries you love while making thoughtful use of your retirement assets. Contact your IRA custodian or tax advisor to learn whether a QCD is right for you.

Past the Halfway Mark and Moving Forward!

We are excited to share that we have over $5,600,000 accounted for through gifts, pledges, in-kind gifts, and the estimated sale of St. Mary's property.

In order for us to reach our goal, we need many gifts, some of them substantial. We are asking parishioners to make a three-year financial pledge over and beyond their regular giving.

Mark your calendar for Commitment Weekend: October 31-November 1.

Goal: $11,000,000
