Three Great Ways to Give

Giving More Than You Thought You Could

There are three great ways to give. First, you can make a **pledge over three years**. This is the way most people can make a significant donation. Even modest amounts become significant when given monthly or with each paycheck over three years.

All gifts are given over and above any regular gifts. Pledges can be paid annually, semi-annually, quarterly, monthly or with each paycheck. Please consider an initial payment of 10% at the time of your pledge.

Next, you can make a **non-cash gift**. These might be gifts of commodities such as grain or livestock; stock or mutual funds; gifts directly from an IRA; land or property; valuable possessions such as jewelry, automobiles, and antiques; or even in-kind gifts such as supplies and labor. The ownership of these gifts will be transferred to All Saints. We will sell these gifts and use the cash to fund the building campaign.

Finally, you can make a **legacy gift**. Through a charitable bequest in your will or living trust, you can leave a legacy that will continue for years to come. This thoughtful act, which has little or no current financial impact on you, may result in the largest and most lasting one-time gift you will ever make. While this legacy gift may not immediately impact our current needs, it will provide for needs in the years to come.

Building Our Future Together

Capital Campaign Launched

Campaign Announced Last Weekend

Last week we launched our Building Our Future Together capital campaign to build a new church for the Catholic Church of All Saints.

For generations, our churches have nurtured our faith and held cherished memories. Yet St. Mary's and St. Hedwig's now present significant limitations:

- Neither church is fully accessible. Stairways create barriers for people who use wheelchairs or walkers.
- Restrooms do not meet current needs, especially for those with mobility challenges.
- Neither church has air conditioning.
- Neither building can accommodate our full parish community.
- Maintaining two aging facilities divides our resources.
- Repairing our current facilities is neither feasible nor approved by the Diocese.

These challenges, together with priest shortages and parish consolidations, make our current arrangement unsustainable for a unified parish.

Our plan is to build a **fully accessible church with seating for more than 700,** designed in the traditional cruciform style approved by our bishop. Accessible restrooms, air conditioning, and a welcoming narthex will serve our parish, while sacred elements from our existing churches will honor our past. This first phase also includes essential utilities, parking, and other infrastructure on generously donated land.

Our campaign's minimum goal is $11 million. We invite every household to prayerfully consider a three-year pledge above regular giving as we prepare for Commitment Weekend, October 31– November 1.

Mark Your Calendar

Mark your calendar for Commitment Weekend: October 31–November 1. Pledge cards will be mailed out before Commitment Weekend. In the meantime, please pray about your gift.

24 Hour Adoration

As we prepare for the building of our new church, we will be having 24 hour Eucharistic Adoration Starting October 12th after the 7:30 a.m. Mass at ASSM and ending October 13th with 8:00 a.m. Mass at All Saints-St. Mary's. Whether you come for an hour, 1/2 hour or simply stop for a few moments.

May our new church be built with a strong foundation of faith, prayer, and love for God.

Please sign up by calling Lenore at (320)249-7240 or Jan at (320)746-2815.

Campaign Prayer

Heavenly Father,
We place this capital campaign in Your hands. We thank You for the gifts You have given this faith community over the past years.

We ask You to continue guiding the planning committee, architects, workers, and everyone involved in building this church where we can praise and worship You.

Bless our efforts and open the hearts of generous donors. Provide us with the resources we need to fulfill this mission and use every gift to make a lasting difference.

Guide us with the wisdom of the Holy Spirit. Strengthen us with faith, and bless all who support God's important work.
In Jesus' name, we pray. Amen

The Building Committee has been meeting for over eight years. In 2019, a consulting firm conducted a feasibility study and held meetings with parishioners to explore the parish's options. At that time, we began exploring plans for a possible new church, including whether one could be constructed on the existing site. Current members include: Steve Auer, Patty Becker, Joe Christensen, Rose Fedor, Allen Fedor, Gerry Heitzman, Steve Prokott, Bob Pueringer, Bob Warzecha, Jessica Wells, and Fr. Gregory. Thank you to our building committee members!

Q: *When will construction begin on the new church?*

A: *We will begin earthwork this fall so that the ground has time to settle over the winter. Full construction of phase one depends upon our fundraising success and how soon people are able to make their pledge payments. We are asking people to complete their pledge payments by the end of 2029. The sooner most of the money comes in, the sooner we can begin building.*

Q: What materials will the new building be made of? Will it last?

A: Our plan is to use precast concrete wall panels. Building a church with precast concrete wall panels instead of traditional wood framing offers significant long-term structural advantages, particularly for large assembly spaces.

Did you know...?

You can donate **grain or livestock** to the building campaign.

All Saints Catholic Church has accounts with **Centra Sota**, Albany; **Central Livestock**, Albany; and **ADM,** St. Cloud, so you can donate your grain or livestock to the building campaign.

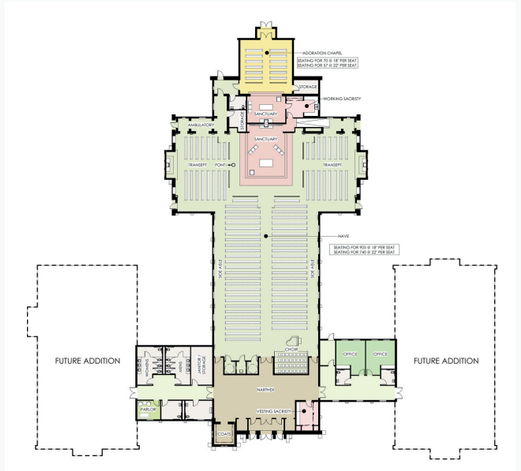

If you have a different market, please let the campaign office know so we can set up an account.

The check for the sale of the commodity will go to All Saints Catholic Church and will be used to fund the building campaign.

The church office has a form to use when you make the donation. It's important to follow the instructions on the form to receive the intended tax benefit.

We are not tax, legal, or financial advisors. This information is provided for educational purposes only and is not professional advice. Please consult your own qualified advisor regarding your circumstances before making a gift.

Phase 1 Preliminary Floor Plan

This preliminary floor plan shows Phase 1 of our new church, designed in the timeless cruciform—or cross-shaped—style approved by our bishop. This architectural tradition has shaped Catholic worship for centuries.

While many decisions remain, this plan reflects our current understanding of the church's layout. We look forward to sharing updates as the design develops!

Why We Are Moving Forward

The decision to build a new church follows years of study and consideration. In 2018, HMA Architects assessed St. Mary's and St. Hedwig's to identify visible structural, accessibility, and other facility needs. The assessment did not include opening walls or investigating hidden conditions.

Estimated improvements totaled $4.5 million in 2018 dollars: approximately $1.9 million for St. Mary's Church, excluding the rectory and parish offices, and $2.6 million for St. Hedwig's. Undiscovered problems could have added to those costs.

At that time, preliminary estimates for a new church ranged from $5 million to $7 million. That comparison supported pursuing a new building that could bring our parish together in a fully accessible space with main-level restrooms. Deteriorating steps at St. Hedwig's added urgency to addressing these challenges.

While both renovation and construction costs have risen significantly since 2018, a new church remains the best long-term option for meeting our parish's needs.

Goal: $11 million

Over $6,000,000 and Moving Forward!

Our goal of $11 million for the first phase will enable us to build a 700+ seat church, a large narthex, spacious handicapped-accessible restrooms, a family restroom, and the essential infrastructure required for a fully functioning parish campus.

We are excited to share that we have more than $6,000,000 accounted for through gifts, pledges, in-kind gifts, and the estimated sale of St. Mary's property.

To reach our goal, we need many gifts, some of them substantial.

Goal: $11,000,000
