Three Great Ways to Give

Giving More Than You Thought You Could

There are three great ways to give. First, you can make a **pledge over three years**. This is the way most people can make a significant donation. Even modest amounts become significant when given monthly or with each paycheck over three years.

All gifts are given over and above any regular gifts. Pledges can be paid annually, semi-annually, quarterly, monthly or with each paycheck. Please consider an initial payment of 10% at the time of your pledge.

Next, you can make a **non-cash gift**. These might be gifts of commodities such as grain or livestock; stock or mutual funds; gifts directly from an IRA; land or property; valuable possessions such as jewelry, automobiles, and antiques; or even in-kind gifts such as supplies and labor. The ownership of these gifts will be transferred to All Saints. We will sell these gifts and use the cash to fund the building campaign.

Finally, you can make a **legacy gift**. Through a charitable bequest in your will or living trust, you can leave a legacy that will continue for years to come. This thoughtful act, which has little or no current financial impact on you, may result in the largest and most lasting one-time gift you will ever make. While this legacy gift may not immediately impact our current needs, it will provide for needs in the years to come.

Donating Grain

You can donate **grain or livestock** to the building campaign.

All Saints Catholic Church has accounts with **Centra Sota**, Albany; **Central Livestock**, Albany; and **ADM,** St. Cloud, so you can donate your grain or livestock to the building campaign.

If you have a different market, please let the campaign office know so we can set up an account.

The check for the sale of the commodity will go to All Saints Catholic Church and will be used to fund the building campaign.

The church office has a form to use when you make the donation. It's important to follow the instructions on the form to receive the intended tax benefit.

We are not tax, legal, or financial advisors. This information is provided for educational purposes only and is not professional advice. Please consult your own qualified advisor regarding your circumstances before making a gift.

Building Our Future Together

October 10 & 11, 2026
Vol. 3
NEWSLETTER

A Faith That Builds for the Future

Whenever a need has arisen, the Catholic faithful of the Holdingford area have stepped forward. Through gifts of land, labor, materials, and prayer, generations have made room for the Church to grow. Our new church continues that story of faith and generosity.

The story began humbly on the prairie. As early as 1872, the pastor of St. Joseph traveled to Arban and celebrated Mass in Sebastian Widman's home. The following year, Father Joseph Vill, O.S.B., began monthly visits, establishing what would become Sacred Heart Mission. In the winter of 1874–1875, parishioners hauled logs with oxen and built their first church. With willing hands and trust in God, they answered their community's need for a place to worship.

A few miles away, another Catholic community was taking shape. On September 14, 1884, the Feast of the Holy Name of Mary, Father Xavier White, O.S.B., celebrated Mass for local families in a schoolhouse near Randolph Holding's general store. Later that year, families donated land, labor, and materials for a modest 28-by-40-foot frame church. It became St. Mary's parish. This was the first of three church buildings that would serve its people.

As Holdingford grew, German and Polish immigrants joined the original Irish families, bringing their languages, traditions, and devotions. In 1910, the cornerstone was laid for St. Hedwig's Church. Once again, the faithful responded to changing needs by building a place where their families could gather around the Eucharist.

For decades, Sacred Heart Mission, St. Mary's, and St. Hedwig's nurtured generations through baptism, worship, marriage, and farewell. In 2011, the three communities formally united as one corporation, laying the groundwork for All Saints Catholic Church.

Today, we are called to respond to the needs of our own time. Our

Campaign Prayer

Heavenly Father,
We place this capital campaign in Your hands. We thank You for the gifts You have given this faith community over the past years.

We ask You to continue guiding the planning committee, architects, workers, and everyone involved in building this church where we can praise and worship You.

Bless our efforts and open the hearts of generous donors. Provide us with the resources we need to fulfill this mission and use every gift to make a lasting difference.

Guide us with the wisdom of the Holy Spirit. Strengthen us with faith, and bless all who support God's important work.
In Jesus' name, we pray. Amen

Q&A

Q: *What is included in each phase?*

A: Our first priority is creating a welcoming parish home where we can gather around the Eucharist and grow together in faith. Phase One includes the church, spacious accessible restrooms, parking, access roads, stormwater management, and utilities needed to serve our parish.

Plans for future phases remain open. As fundraising and planning progress, we will prayerfully consider the next steps, seeking to care wisely for the gifts entrusted to us and the needs of our parish family.

Did you know...?

Making an **initial payment of 10%** or more at the time of your pledge can significantly help our *Building Our Future Together* capital campaign.

Having more funds available up front allows All Saints to begin construction work sooner rather than waiting for pledge payments to arrive over time.

Of course, every household's financial situation is different, and parishioners should choose the timing that works best for them.

However, if the timing of your giving does not matter to you, an upfront gift can provide meaningful help to the campaign and strengthen our ability to move forward sooner rather than later.

A Place for Worship and Prayer

This site plan shows our new church and land for future additions across from Holdingford High School. Two entrances will provide access to the parking lot: one from County Road 17 and another from the service road near Dollar General. The plan includes a water retention pond required for stormwater management and relocation of the maintenance building.

Behind the church, we envision a walking path with shrines for prayerful reflection and space to celebrate outdoor Mass. A future rectory is also envisioned on the property, though no specific plans have been determined.

Earthwork for the church and essential infrastructure begins this fall—a hopeful step toward a parish home where we can worship, pray, and grow together in faith.

Cont. from pg 1.
ancestors could not have known everyone who would one day pray in the churches they built. Yet they gave generously, trusting that their sacrifices would bear fruit long after them.

We now have the opportunity to offer that same gift to those who will follow us. Building a new church asks us to carry forward the faith we have received and provide a welcoming home for generations yet to come.

The needs have changed since the days of oxen and log churches, but the invitation is familiar: to pray, to give as we are able, and to work together. With gratitude for those who came before us, may we answer with the same generous faith.

Introducing

The **Capital Campaign Committee** has been meeting since July. Our mission is to inform parishioners about the needs of our parish and how a new church building will address those needs. We also want to encourage people to give generously to the campaign. Finally, we want to educate parishioners about ways to leverage their gifts.

Members of our committee include: Katie & Steve Auer, Kathy & Dale Bruns, Lenore Dawson, Rose Fedor, Kathy & Steve Fiecke, Jan Krych, Audrey Lange, Dorine & Lloyd Rausch, Shelley & Bob Vouk, Bob Warzecha, and Fr. Gregory. Thank you to those who serve!

Goal: $11 million

Over $6,000,000 and Moving Forward!

Our goal of $11 million for the first phase will enable us to build a 700+ seat church, a large narthex, spacious handicapped-accessible restrooms, a family restroom, and the essential infrastructure required for a fully functioning parish campus.

We are excited to share that we have more than $6,000,000 accounted for through gifts, pledges, in-kind gifts, and the estimated sale of St. Mary's property.

To reach our goal, we need many gifts, some of them substantial.

Goal: $11,000,000
