# Three Great Ways to Give

## Giving More Than You Thought You Could

There are three great ways to give. First, you can make a **pledge over three years**. This is the way most people can make a significant donation. Even modest amounts become significant when given monthly or with each paycheck over three years.

All gifts are given over and above any regular gifts. Pledges can be paid annually, semi-annually, quarterly, monthly or with each paycheck. Please consider an initial payment of 10% at the time of your pledge.

Next, you can make a **non-cash gift**. These might be gifts of commodities such as grain or livestock; stock or mutual funds; gifts directly from an IRA; land or property; valuable possessions such as jewelry, automobiles, and antiques; or even in-kind gifts such as supplies and labor. The ownership of these gifts will be transferred to All Saints. We will sell these gifts and use the cash to fund the building campaign.

Finally, you can make a **legacy gift**. Through a charitable bequest in your will or living trust, you can leave a legacy that will continue for years to come. This thoughtful act, which has little or no current financial impact on you, may result in the largest and most lasting one-time gift you will ever make. While this legacy gift may not immediately impact our current needs, it will provide for needs in the years to come.

# Building Our Future Together

October 24 & 25, 2026

Vol. 5

NEWSLETTER

# Next Weekend is Commitment Weekend

## Pledge Cards Mailed to Homes

Next weekend, October 31–November 1, marks an important milestone in All Saints' *Building Our Future Together* campaign. We invite every household to prayerfully consider a financial commitment and return the pledge card received in the mail.

Please take time to prayerfully consider how God may be calling you to participate. The payment chart on the back of your pledge card—and this newsletter—shows how monthly gifts add up over three years.

A three-year pledge allows even modest payments to grow into a meaningful contribution. We ask that campaign gifts be above your regular parish giving.

*Restrooms can be reached only by stairs.*

Gifts may also include grain or livestock, stocks or mutual funds, gifts directly from an IRA, real estate, or valuable possessions. A charitable bequest in your will or living trust can support All Saints for generations to come.

Our churches hold treasured memories, and we honor the sacrifices that built them. Yet their limitations make serving our parish increasingly difficult.

We long for a parish home that welcomes everyone, including those who use walkers or wheelchairs and cannot reach restrooms accessible only by stairs.

The generous faith that built Sacred Heart Mission, St. Mary's, and St. Hedwig's now calls us to build again on our ten-acre site.

Please bring your completed pledge card next weekend.

Together, let us move forward in faith, preparing a welcoming home for those here today and those yet to come.

## Did you know...?

A Little at a Time Adds Up!

Most of us are familiar with monthly car payments. According to Edmunds, the average payment on a financed used vehicle was $582 per month in the third quarter of 2026. And a record 21.2% of financed new-car purchases came with payments of $1,000 or more per month! That's before insurance, fuel, maintenance, and registration.*

Those numbers offer some perspective on how regular payments can add up to something significant.

For less than that average used-car payment, a gift of $500 per month to All Saints would total $18,000 over three years. What a wonderful contribution toward a church that will serve our parish for generations!

Or think about the price of a coffee-shop treat. Setting aside $5 a day—about the cost of a specialty coffee—plus an initial gift of $500 would add up to approximately $6,000 over three years. Even $100 per month becomes $3,600. Little by little, our gifts grow.

Of course, every household's budget is different. We invite you to pray about what works for yours. Together, gifts of many sizes will help build our new parish home.

Please remember that campaign gifts should be above your regular parish giving. You can arrange payments through your bank or request automatic giving through All Saints by marking that option on your pledge card.

As Commitment Weekend approaches, take a little time to consider what you could give over three years. You may be surprised by the difference you can make!

## Save Our Volunteers a Phone Call

In our efforts to personally reach everyone, on November 17, volunteers will make reminder phone calls to ensure everyone hears the message and is personally invited to participate in the future of All Saints.

Please save our volunteers a call by making your pledge next weekend!

## Q&A

*Q: Have you gotten estimates on what each church is worth? Are you going to sell them? What are you going to do with them when the new church is built?*

A: We know these churches are beloved places, filled with memories of baptisms, weddings, and loved ones. Questions about their future can bring concern and uncertainty.

We don't know what the churches are worth. We can only guess at this time. We want to take valuable things out of them for the new church, which would lower the value of the buildings and save us money in the new church.

We had potential buyers reach out to us because they are interested in property on County Road 17.

We are really early in the process. We are not accepting bids right now because it's too early. We can't sell any buildings until we have moved into our new church.

When we get to the point of deciding to sell, we will make it public and let parishioners know.

We are not aware of any interest in St. Hedwig's property at this time because we have not let the public know.

Thank you for your prayers for all the decisions we still need to make.

## Campaign Prayer

Heavenly Father,
We place this capital campaign in Your hands. We thank You for the gifts You have given this faith community over the past years.

We ask You to continue guiding the planning committee, architects, workers, and everyone involved in building this church where we can praise and worship You.

Bless our efforts and open the hearts of generous donors. Provide us with the resources we need to fulfill this mission and use every gift to make a lasting difference.

Guide us with the wisdom of the Holy Spirit. Strengthen us with faith, and bless all who support God's important work.
In Jesus' name, we pray. Amen

Please reach out to Erika Roland, Campaign Manager, at capitalcampaign@tworiverscatholic.com or 952-412-7007

It is important that we preserve our shrines and other meaningful items. The new church property consists of ten acres, providing ample room to relocate the shrines to the new property or to our existing cemeteries so that people have a place to walk and pray. The words on the shrine on the southeast corner of St. Mary's property read:

*Our Lady of Victory, Pray for Us. Dedicated to the members of St. Mary's parish serving in the armed forces. B.V.M. Mary guard our valiant soldiers in the air, on land and sea. Keep them ever close to Jesus and dear Mother close to thee.*

## Goal: $11 million

## Over $6,000,000 and Moving Forward!

Our goal of $11 million for the first phase will enable us to build a 700+ seat church, a large narthex, spacious handicapped-accessible restrooms, a family restroom, and the essential infrastructure required for a fully functioning parish campus.

We are excited to share that we have more than $6,000,000 accounted for through gifts, pledges, in-kind gifts, and the estimated sale of St. Mary's property.

To reach our goal, we need many gifts, some of them substantial.

**Goal: $11,000,000**
