Three Great Ways to Give

Giving More Than You Thought You Could

There are three great ways to give. First, you can make a **pledge over three years**. This is the way most people can make a significant donation. Even modest amounts become significant when given monthly or with each paycheck over three years.

All gifts are given over and above any regular gifts. Pledges can be paid annually, semi-annually, quarterly, monthly or with each paycheck. Please consider an initial payment of 10% at the time of your pledge.

Next, you can make a **non-cash gift**. These might be gifts of commodities such as grain or livestock; stock or mutual funds; gifts directly from an IRA; land or property; valuable possessions such as jewelry, automobiles, and antiques; or even in-kind gifts such as supplies and labor. The ownership of these gifts will be transferred to All Saints. We will sell these gifts and use the cash to fund the building campaign.

Finally, you can make a **legacy gift**. Through a charitable bequest in your will or living trust, you can leave a legacy that will continue for years to come. This thoughtful act, which has little or no current financial impact on you, may result in the largest and most lasting one-time gift you will ever make. While this legacy gift may not immediately impact our current needs, it will provide for needs in the years to come.

This Weekend is Commitment Weekend

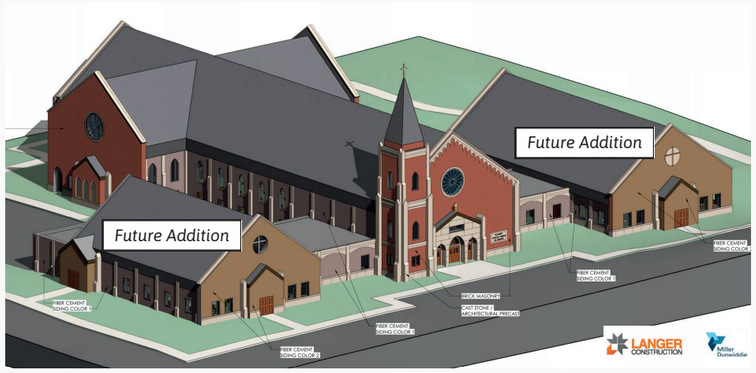

This weekend we are collecting pledges for our *Building Our Future Together* capital campaign to raise money for a new church building.

The Catholic story in the Holdingford area began humbly and faithfully on the prairie. For over a century, Sacred Heart Mission, St. Mary's, and St. Hedwig's nurtured the faith of families, eventually uniting to become the Catholic Church of All Saints.

Our church buildings have been places of baptism, marriage, prayer, and farewell. They hold cherished memories and reflect the deep faith of those who built them. Yet St. Mary's and St. Hedwig's now present significant limitations:

- Neither building is fully accessible to people with disabilities. Multiple stairways create barriers for those who use wheelchairs or walkers.
- Restroom facilities do not meet current needs, especially for those with mobility challenges.
- Neither church has air conditioning.
- Neither building alone is large enough to accommodate the full Catholic community that will gather as All Saints.
- Continuing in two aging facilities divides our resources and limits our ability to plan confidently for the future.
- Repairing our current facilities is neither feasible nor approved by the Diocese.

The shortage of priests and parish consolidations also requires us to plan thoughtfully. Together, these limitations make our current arrangement an (cont. on page 2)

Save Our Volunteers a Phone Call

In our efforts to personally reach everyone, on November 17, volunteers will make reminder phone calls to ensure everyone hears the message and is personally invited to participate in the future of All Saints.

Please save our volunteers a call by making your pledge today!

Did you know...?

Non-cash gifts can make a big difference.

Non-cash gifts are an important and often overlooked way to support our Building Our Future Together campaign. In fact, we have already received several gifts from IRAs (Individual Retirement Accounts).

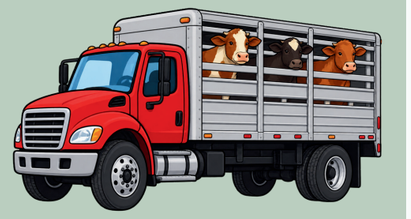

Some households may find it easier to give through assets rather than cash alone. Examples may include gifts of stock, vehicles, boats, property, antiques, collectibles, or other valuable items. Others may wish to contribute donated labor, materials, or professional services related to one of the campaign projects.

Donating grain or livestock is another great way to give. All Saints Catholic Church has accounts with Centra Sota, Albany; Central Livestock, Albany; and ADM, St. Cloud. If you have a different market, please let us know.

Be sure to get a form from the church office if you want to donate grain or livestock.

Creative gifts like these can sometimes allow people to give more generously than they originally thought possible.

If you would like to discuss a possible non-cash gift or explore a creative giving idea, please contact the campaign office.

unviable long-term solution for a unified parish.

After much prayer and many conversations, we believe the time has come to move forward in faith.

Our plan is to build a beautiful **700+ seat worship space** for Mass and the sacraments in the timeless cruciform style, approved by our bishop and rooted in the architectural tradition of Catholic worship.

We will thoughtfully incorporate sacred elements from St. Mary's and St. Hedwig's, carrying treasured pieces of our past into this new chapter.

Our new parish home will be fully accessible and welcoming to all, with a ground-level entrance, a large narthex, spacious accessible restrooms, a family restroom, air conditioning, and modern safety features.

Building on generously donated land also requires utilities, parking, stormwater management, access roads, and essential safety systems from the outset.

This first phase will lay the foundation for decades of worship, formation, fellowship, and outreach.

To make this vision possible, our *Building Our Future Together* campaign has a minimum goal of $11 million. We are asking parishioners to make a three-year financial pledge.

Q&A

Q: I am making a pledge to give once a year. Will I receive pledge reminders?

A: Yes. We will send pledge reminder statements to those making quarterly, semi-annual, or annual payments.

Q: I'm turning in a pledge card indicating that I will be praying for the campaign, even though I am unable to give financially at this time. Will I receive a phone call from a volunteer?

A: Thank you for committing to pray for the campaign. We believe prayer is essential to the success of our efforts and deeply appreciate your participation in this way.

You will not receive a call from a volunteer. We intend to contact only those households that have not yet responded to the campaign.

Campaign Prayer

Heavenly Father,
We place this capital campaign in Your hands. We thank You for the gifts You have given this faith community over the past years.

We ask You to continue guiding the planning committee, architects, workers, and everyone involved in building this church where we can praise and worship You.

Bless our efforts and open the hearts of generous donors. Provide us with the resources we need to fulfill this mission and use every gift to make a lasting difference.

Guide us with the wisdom of the Holy Spirit. Strengthen us with faith, and bless all who support God's important work.
In Jesus' name, we pray. Amen

Goal: $11 million

Over $6,000,000 and Moving Forward!

Our goal of $11 million for the first phase will enable us to build a 700+ seat church, a large narthex, spacious handicapped-accessible restrooms, a family restroom, and the essential infrastructure required for a fully functioning parish campus.

We are excited to share that we have more than $6,000,000 accounted for through gifts, pledges, in-kind gifts, and the estimated sale of St. Mary's property.

To reach our goal, we need many gifts, some of them substantial.
