Three Great Ways to Give

Giving More Than You Thought You Could

There are three great ways to give. First, you can make a **pledge over three years**. This is the way most people can make a significant donation. Even modest amounts become significant when given monthly or with each paycheck over three years.

All gifts are given over and above any regular gifts. Pledges can be paid annually, semi-annually, quarterly, monthly or with each paycheck. Please consider an initial payment of 10% at the time of your pledge.

Next, you can make a **non-cash gift**. These might be gifts of commodities such as grain or livestock; stock or mutual funds; gifts directly from an IRA; land or property; valuable possessions such as jewelry, automobiles, and antiques; or even in-kind gifts such as supplies and labor. The ownership of these gifts will be transferred to All Saints. We will sell these gifts and use the cash to fund the building campaign.

Finally, you can make a **legacy gift**. Through a charitable bequest in your will or living trust, you can leave a legacy that will continue for years to come. This thoughtful act, which has little or no current financial impact on you, may result in the largest and most lasting one-time gift you will ever make. While this legacy gift may not immediately impact our current needs, it will provide for needs in the years to come.

Building Our Future Together

Newsletter Updated Weekly

November 7 & 8, 2026
Vol. 7

NEWSLETTER

Last Weekend Was Commitment Weekend

Last weekend we collected pledges for our *Building Our Future Together* capital campaign to raise money for a new church building.

The pews were full at Mass at All Saints St. Mary's last Sunday and there was a spirit of anticipation as a basket was passed along the pews collecting pledge cards.

The overflowing pews were a reminder that neither St. Hedwig's nor St. Mary's alone is large enough to accommodate the full Catholic community that will gather as All Saints.

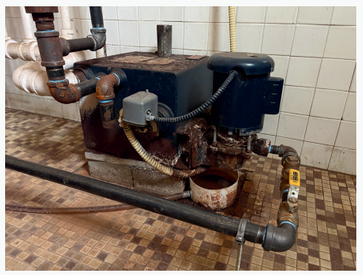

If you are still prayerfully considering how to participate in our capital campaign, please know that it's not too late to make a gift or pledge. You may put a pledge card in the collection basket, mail it to the parish office, or even drop it off.

The current facilities at St. Mary's and St. Hedwig's now present significant limitations that make it difficult to serve our parishioners well.

Bathrooms are accessible only by stairs. People who use wheelchairs or walkers, or who cannot navigate stairs, are unable to reach our restrooms. Our parish home should be welcoming to everyone.

Neither building has air conditioning.

Furthermore, continuing in two aging facilities divides our financial resources, and repairing our current facilities is neither feasible nor approved by the Diocese. (cont. on page 2)

Save Our Volunteers a Phone Call

In our efforts to personally reach out, on November 17, volunteers will make reminder phone calls to All Saints parishioners to ensure everyone hears the message and is personally invited to participate in the future of All Saints.

It's not too late to make your pledge and save our volunteers a phone call!

Extra pledge cards and envelopes can be found in the back of the church or by stopping by the parish office.

Did you know...?

A life insurance policy can be a meaningful way to make a future gift to All Saints--often without affecting your current financial situation.

By naming All Saints as the owner and beneficiary of an existing policy—or by transferring ownership of a policy you no longer need—you can make a significant gift that supports the church's ministry for years to come. Some may choose to take out a new policy with All Saints as the beneficiary, making manageable premium payments over time.

Likewise, **including All Saints in your will** can leave a legacy that will continue for years to come.

These thoughtful acts, which may have little or no current financial impact on you, may result in the largest and most lasting one-time gift you will ever make. While these legacy gifts may not immediately impact our current campaign needs, they are a thoughtful way to provide for the future.

If you would like to explore a creative giving idea, please contact the campaign office.

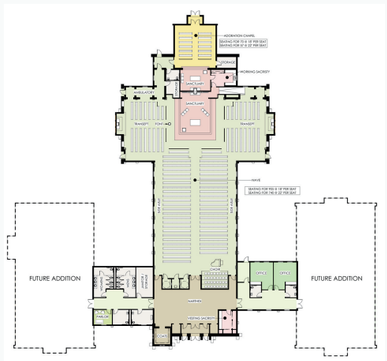

(Cont. from pg. 1)
The shortage of priests and parish consolidations require us to plan thoughtfully. Since neither building alone is large enough, we look forward to a space that will seat 700+ people.

In 2018, estimated improvements to the two churches totaled approximately $4.5 million, without accounting for hidden problems.

Back then, preliminary estimates for a new church ranged from $5 million to $7 million. Although costs have risen significantly since 2018, a new church still remains the best long-term option for bringing our parish together in an accessible space.

Phase one will enable us to build a church with a large narthex, spacious accessible restrooms, a family restroom, and the essential infrastructure required for a fully functioning parish campus.

To make your gift, please fill out a pledge card and join us in building the future of All Saints!

Q&A

Q: Where can I get a pledge card?

A: Pledge cards are at the back of the church and available in the parish office.

Q: Why are you asking for a three-year pledge? What if I can only make a one-time gift?

A: A three-year pledge enables people to give more than they might be able to give at one time. By spreading out a commitment over time with weekly, monthly, quarterly, semi-annual, or annual gifts, many find they can make a more meaningful gift. This approach also helps the church plan responsibly as funds are received over the life of the campaign.

Of course, we want everyone to make a pledge that works best for them—including a one-time gift.

Campaign Prayer

Heavenly Father,
We place this capital campaign in Your hands. We thank You for the gifts You have given this faith community over the past years.

We ask You to continue guiding the planning committee, architects, workers, and everyone involved in building this church where we can praise and worship You.

Bless our efforts and open the hearts of generous donors. Provide us with the resources we need to fulfill this mission and use every gift to make a lasting difference.

Guide us with the wisdom of the Holy Spirit. Strengthen us with faith, and bless all who support God's important work.
In Jesus' name, we pray. Amen

Building Our Future Together Celebration Weekend Festivities!

Join us **December 5–6** for Celebration Weekend as we give thanks to God, the giver of all good gifts, for the generous outpouring of support for *Building Our Future Together*. During Mass, we will offer our gratitude for the faith, prayers, and generosity of our parish family.

The celebration continues Sunday, December 6, 2:00–5:00 p.m. at the **Pelican Lake Ballroom,** with an Old Time Polish Polka Dance featuring Live it Up, a band honoring polka great Li'l Wally Jagiello.

A silent auction will also be part of the afternoon's festivities.

Please save the date for a joyful afternoon of music, fellowship, and thanksgiving. We look forward to celebrating together! More details will be shared as the weekend approaches.

Goal: $11 million

Over $6,000,000 and Moving Forward!

Our goal of $11 million for the first phase will enable us to build a 700+ seat church, a large narthex, spacious handicapped-accessible restrooms, a family restroom, and the essential infrastructure required for a fully functioning parish campus.

We are excited to share that we have more than $6,000,000 accounted for through gifts, pledges, in-kind gifts, and the estimated sale of St. Mary's property.

To reach our goal, we need many gifts, some of them substantial.
