A Message from Katrina

Harvest Blessing to all the hunters out there. I pray you have had a bountiful harvest and have a lot of fun in your hunting adventures. Our readings from this past Sunday are telling us to be ready for the 2nd coming of Christ. In order to be ready we need to practice our faith. The last couple of class nights I have talked with our 6-10th graders about why they go to Faith Formation classes and why you as parents send them. If they didn't come home and ask you about why you want this for them please sit down and talk with them. If you don't know why then please pray about it. We learn in faith formation, but in life we as parents have to show our children how to practice our faith. The simplest ways to start are to pray, recieve the sacraments, and read the bible. Being ready for the 2nd coming of Christ ix much like hunting. We don't just go out to the stand and automatically get a deer when we first start hunting. No we have to learn and practice. So this week, talk with your children about your "why," and then practice with them.
